

# *Safety Programs*

## **HILCO Electric Cooperative, Inc.**

**offers safety programs to  
schools and organizations,  
*free of charge.***

**The programs are designed to promote electrical  
safety in the home and workplace  
for students and adults of all ages.**

*Last year, HILCO Member Services Coordinator Bob Wilson  
and Larry Farquhar, HILCO Safety and Loss Control Supervisor, presented  
safety programs to twelve area schools and organizations with over 2,000 attending.*

**If your school or organization**

**is interested in a  
safety presentation,**

**please contact**

**Bob Wilson,**

**254-687-2331 or 800-338-6425,**

**Ext. 1118,**

**or e-mail**
